

## **Library Hours and Service Commitment**

The Library Board shall set the hours the library is open, considering the recommendations of the librarian.

The Library will serve all residents of the state of Wisconsin. Service will not be denied or abridged because of religious, racial, social, economic or political status.

The Library Board shall not charge fees or assessments for library usage to persons residing in the city of Fort Atkinson or the residents of Jefferson County. The city and county taxes will be used for this purpose.

The use of the Library or its services shall be limited when excessive demands of groups or individuals tend to curtail service to the general public.

The use of the Library or its services may be denied for due cause.

The Library will initiate programs, exhibits, book lists, etc., to stimulate the use of library materials for the enlightenment of people of all ages.

The Library will lend to other libraries materials which are requested for patrons with serious interests and which are not available in the borrowing library. The state of Wisconsin has set up a service of interlibrary loan procedures. Patrons of this library have priority in the use of materials.

For requested materials not owned by the Dwight Foster Public Library or the libraries of the SHARE consortium, this library will utilize the interlibrary loan system.

Periodic review will be made of library service to determine whether the needs of the community indicate that present services should be discontinued or other services should be added.
